Inspiring Conservation Leadership

Chicago Zoological Society/Brookfield Zoo Sustainability Report

January 3, 2011

The following document provides a comprehensive list of current green initiatives undertaken by the Chicago Zoological Society (CZS) and throughout Brookfield Zoo's facilities.

In support of Chicago Zoological Society's mission, "To inspire conservation leadership by connecting people with wildlife and nature," the CZS green mission statement is as follows:

The Chicago Zoological Society, through its facilities and operations, will continuously work to efficiently use natural resources, energy, and reduce our carbon footprint.

We work to achieve this mission through:

- **Natural Resources Reduction**
- **Energy Reduction**
- **Carbon Footprint Reduction**
- **Engagement of Staff, Guests, and Constituents**
- **Certification of Sustainable Buildings and Practices**
