Organizational Overview

The Chicago Zoological Society (CZS) is a private nonprofit organization that operates Brookfield Zoo on land owned by the Forest Preserve District of Cook County. Opened to the public in 1934, Brookfield Zoo has been a Chicago-area treasure and family destination for more than 75 years. Brookfield Zoo is the largest suburban attraction in Cook County, both in size and visitation. The 235-acre Zoo annually serves over two million visitors from the diverse Chicago metropolitan area. The zoo is open 365 days a year. On an average day, more than 11,000 people visit during the Zoo's peak attendance season in the summer months.

The Chicago Zoological Society's mission is to inspire conservation leadership by connecting people with wildlife and nature. We strive to provide people of all ages and backgrounds with opportunities to learn about and care for the natural world. When it first opened, Brookfield Zoo was considered "cutting edge" for its bar-less enclosures. One of the first zoos to employ nutritionists, pathologists, veterinarians, geneticists, endocrinologists, and behavioral specialists, we continue in a tradition of innovation.

Notwithstanding the foregoing, the Zoo retains the right to inspect the Services, stop work, prescribe alterations, and monitor Contractor's performance to ensure that the Services are performed in accordance and consistent with this Agreement. Contractor acknowledges that the Zoo's primary business is the operation of a zoological park and that one of the Zoo's primary concerns is the safety of the animals and people at the zoo, both employees and visitors; Contractor further acknowledges that the Zoo strives to maintain the good will of its patrons and the public in general and further agrees that Contractor will do nothing that will have an adverse impact on the Zoo's mission, its collection of animals, its employees, or endanger the public in any way.

If the Contractor violates this provision of the Agreement, Contractor shall pay the Zoo the equivalent of three (3) times such employee's annual salary at the time of the employee's termination of employment with the Zoo, in one lump sum within 30 days of the Zoo's written demand for payment.

(f) The Contractor agrees to comply with all applicable federal, state, and municipal laws, rules, and regulations prohibiting workplace discrimination based on race, color, religion sex, national origin, disability, sexual orientation, or any other applicable legally protected status, as well as laws, rules, and regulations relating to individuals with disabilities for places of public accommodation. In fulfillment of this commitment, Contractor shall conduct a thorough county and national criminal background check and a check of the national sex offender registry for all addresses, states and counties within which any Contractor representative has resided during the seven years prior to such assignment and assess the results to determine whether such Contractor's representative's record would disqualify him or her from assignment to the Society under the terms of this provision based on the job to be performed.

Contractor agrees to provide proof of compliance with this provision by Contractor or any subcontractor, agent, or other individual or entity upon request of the Zoo, providing a copy of invoice(s) billed by the background check firm confirming the Contractor Representative's name and date and type(s) of background check(s) conducted.
