Proposal:

Primary Researcher:

Thank you for reviewing the Chicago Board of Trade (CBOT) Endangered Species Fund proposal. The following review will be shared anonymously with the Review Committee.

1. It is important that proposals be evaluated on several points: Research methodology recognized as a sound scientific approach
2. Overall conservation impact: The proposal is related to species, ecosystems, or regions in which BZC has a vested conservation interest
3. Ability to complete the project objectives within timeline outlines and within budget

1. Research methodology recognized as a sound scientific approach.

0. Unranked 1. Poor 2. Fair 3. Good 4. Very Good 5. Excellent

Comments:

2. Overall conservation impact; the proposal is related to species, ecosystems, or regions in which Brookfield Zoo Chicago has a vested conservation interest. Priority species, regions, and projects are listed in the application document. If not in a priority area, but is an exceptionally strong proposal demonstrating strong scientific or conservation impact, please score on a scale of 1-5 (1 poor, 5 excellent).

0. Unranked 1. Poor 2. Fair 3. Good 4. Very Good 5. Excellent
