**Organizational Overview**

The Chicago Zoological Society (CZS) is a private nonprofit organization that operates Brookfield Zoo on land owned by the Forest Preserve District of Cook County. Opened to the public in 1934, Brookfield Zoo has been a Chicago-area treasure and family destination for more than 75 years. Brookfield Zoo is the largest suburban attraction in Cook County, both in size and visitation. The 235-acre Zoo annually serves over two million visitors from the diverse Chicago metropolitan area. The zoo is open 365 days a year. On an average day, more than 11,000 people visit during the Zoo’s peak attendance season in the summer months.

The Chicago Zoological Society’s mission is to inspire conservation leadership by connecting people with wildlife and nature. We strive to provide people of all ages and backgrounds with opportunities to learn about and care for the natural world. When it first opened, Brookfield Zoo was considered “cutting edge” for its bar-less enclosures. One of the first zoos to employ nutritionists, pathologists, veterinarians, geneticists, endocrinologists, and behavioral specialists, we continue in a tradition of innovation.
